WEEKLY REPUBLICAN—MAYSVILLE  
DAILY PUBLIC LEDGER—MAYSVILLE

MAYSVILLE, KY., WEDNESDAY, MARCH 29, 1911.

ONE COPY—ONE CENT

THE JOY RIDE.

A reckless pace.  
A laughing band.  
On steering gear.  
A reckless hand.  
No thought of care.  
Wide open speed.  
Of life and limb.  
No thought or heed.

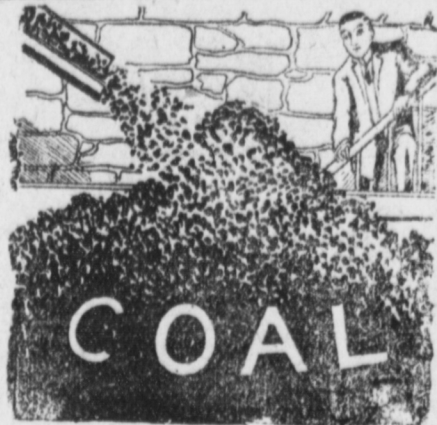

A trust in luck.  
A folly blind.  
A danger sense.  
Left far behind.  
Increasing speed.  
And more and more.  
A wild contempt.  
For what's before.

A crash—a crash—  
A roar—a scream  
Of agony.  
A horror's dream.  
A heap of junk.  
A gasping breath—  
The joy ride ends  
In jaws of death.

Have you seen Crane & Shafer's Wall Papers?  
Prettiest in town.

George F. Bateman of the Russell Cave pike  
has sold his 200-acre farm and will move to  
Covington, Ky., April 1st.

Mrs. Lottie Sproemberg, who has been so  
seriously ill at her home in Commerce street  
for the past three weeks, is very much im-  
proved and her condition is quite gratifying to  
her family and friends.

COAL

Now's the Time for Filling Up

If your coal bin is empty or  
even half full. It's folly to  
wait until you have to scrape  
up the last scuttle from the  
bottom of the bin. Order  
now, get the benefit of lowest  
market prices and run no risk  
of delay on account of earlier  
orders. Finest grades of  
cleaned coal.

## Federal Prisoners

United States Marshal Coleman of Somerset  
brought three prisoners to the Newport Jail  
Monday. Joseph Coffey, 40, was charged with  
counterfeiting; his wife, charged with robbing  
a Postoffice, and Alice Jones, with opening a  
registered letter and appropriating the contents.  
\$450 O-car Helton also was charged with  
larceny of \$150 in stamps.

## Will Test Seed

Reports have it that the farmers throughout  
Central Kentucky will this year test their seed  
corn and take no chances on having to plant  
their crops over. It seems that much of the  
corn crop of 1910 was either cribbed too soon  
or permitted to remain in the shock too long.

Notwithstanding the Cool Weather, Our Attractive Window Display of

Spring Clothing Shoes  
and Hats

Already induced many of our best dressers, in order to secure the choicest styles, to favor us with their  
patronage. We are within the bounds of truth when we say there are few clothing houses in the largest  
cities that show as exclusive a line of this spring's wearing apparel as we are showing this season. And  
every suit of this character we sell at from \$5 to \$10 less than you pay for them in larger cities.

In our Tailoring Department we are turning out some beautiful work. If you prefer a suit made to  
order look at our woolsens. They are all from the celebrated E. H. Vaningen & Co.

The weather will soon call for lighter Underwear. In this department you will find a splendid line  
of Athletic Underwear.

Our Dress and Negligee Shirt Department comprises the celebrated Wilson Bros., Eclipse and Man-  
hattan lines. None better; few as good.

In the Spring a Young Man's Fancy Lightly Turns to Thoughts of

Buggies

These bright, sunny days are just a hint of the beautiful  
spring days to come, and now is a good time to buy your buggy,  
and, if you wish, set it aside until spring is really here. We have  
a large and varied stock of ALL kinds of Buggies, Runabouts, Sur-  
reys, Phaetons, Driving Wagons, etc., and, in order to stimulate an  
early trade, are offering to those who buy before April 15th 5% off.  
After April 15th our trade shall have started and we will then ask  
you the regular price. Think this offer over. There's money in it  
for you if you mean to buy this year. Anyhow, come in and look.  
We have told you again and again that we are always glad to see  
you whether you buy or not, and wish you to make the Square Deal  
Store your leading place when you come to town. After awhile we  
will have some ice water for you. Now, we offer you a warm welcome.

MIKE BROWN, The Square  
Deal Man.

A general strike of the telegraphers em-  
ployed by the Illinois Central Railroad will be

## MAYSVILLE MAN

Browsing Too Near the Danger  
Zone in Texas is Slightly  
Wounded

Mr. Charles Lurley, formerly asso-  
ciated with his father in the drygoods  
business in this city fifteen or twenty  
years ago, now connected with the El  
Paso (Texas) Cycle Works, is a vic-  
tim of a Mexican shot.

The incident is said to have occurred  
ten days ago, and the news was con-  
veyed in a letter to his son, William.

No particulars were given, further  
than that he was wounded in the foot  
by a stray shot by Federal soldiers on  
the Mexican side of the river, while  
browsing too near the danger zone.

He has two sons in this city, Robert  
and William Lurley, who attach very  
little importance to the occurrence.

PURE MAPLE SYRUP

Choose Your Spring Wearables Here

Every department has its offering but in none can the style and quality leadership of this store be  
more quickly recognized than in our ready-to-wear section. Don't buy a suit or dress, a separate coat, skirt  
or waist until you see our stock. In our ready-made garments notice the graceful lines, the careful tailoring,  
the fabric quality, the distinctive styles—then try to match them elsewhere at the price.

SUITS \$12½ to \$40. SILK DRESSES \$12½ to \$30. COATS \$8½ to \$35.  
BLOUSES \$1 to \$5. SKIRTS \$5 to \$17½.

## MATTINGS

Right at the beginning of spring, when matting is in greatest demand, we are able to offer a great  
opportunity in matting of the most wanted kinds. We bought heavily, taking advantage of a favorable trade  
wind that makes these bargains possible. The designs are varied and handsome, from the sparsely distributed  
Oriental figures to the well covered carpet patterns. This line of matting is a trade winner at 25c.

## Opening Display of Dress Fabrics

The time to think about, plan and get ready for your spring and summer dressmaking needs is now.  
And as long as you want to have your dresses distinctive—different from your neighbor's—and as long as you  
insist upon dress goods quality greater than the price you pay—don't fail to pick out your dress goods fabrics  
here. Prices 25c to \$2 yard.

A LETTER FROM OUR MILLARD MERZ.

MILLARD MERZ, Pres. and Treas.

MERZ COMPANY,

Artificial Flowers and Fancy Feathers,  
432 Market Street.

Philadelphia, March 21st, 1911.

Merz Bros., Maysville, Ky.--Dear Boys:

I am sending by today's freight, via Blue Ridge Dispatch, about 500 samples of  
our Flowers. This lot consists of our own line, as well as the line we import from  
Paris for designs. You could divide this up into two lots and sell for 25c and  
35c, and at this price it will be less than the price we get from the largest importers  
and jobbers in this country. There are very few towns the size of Maysville that  
could get an opportunity like this, but I want to show the ladies of Maysville that I  
am still thinking of them, as I could have sold this lot a dozen times over and at a  
better price. You probably know that all the fine millinery stores are showing nothing  
but flowers on hats this spring. Hope you will have a big sale. I am, yours truly,  
MILLARD MERZ.

THESE FLOWERS ARE EXPECTED BY WEDNESDAY AND WILL GO ON SALE IMME-  
DIATELY ON THEIR ARRIVAL.

Good advertising is to a drooping business  
what water is to a thirsty flower.

MAYBE Senator BRADLEY's rough-house sea  
voyage was caused by him not "steady sitting  
in the boat."

It is hoped that Senator BRADLEY will find  
the Kentucky ship of State easier sailing than  
the steamer Colon.

THE number of telephone stations of the  
Bell Telephone Company now aggregates 5-  
882,719, while there is a total wire mileage of  
nearly 12,000,000 miles.

MARSE HENRY WATTERSON is now enjoying  
himself cruising in the Mediterranean summer  
seas with JOSEPH PULITZER, owner of The New  
York World, in the latter's floating palace  
yacht, "The Liberty." Here's to you, suh!

It's a pity peace has been patched up be-  
tween the belligerent New Orleans gentlemen,  
Editors, respectively, of The Bee and The  
Wasp. We always did have a sporting hank-  
ering to see a scrap between these two insects.  
—Courier-Journal.

THE Louisville Herald favors an early State  
Convention to nominate Republican candi-  
dates for Commonwealth snaps. Do your po-  
litical shopping early, gentlemen, and let's  
wipe the Bluegrass State up with the hide of  
the Democratic donkey.

It is gravely stated that there are now 25-  
000 college graduates in New York seeking  
"sott-snap" and "easy-job" employments.

GOVERNOR WILLSON will hardly issue a free  
pardon to "Buck," the Frankfort billy goat  
that has been encroaching on the Mansion  
veranda and eating up all the Governor's news-  
papers. "Buck" should be led over to the  
Pen., just across the street from the Governor's  
home, and placed in the dungeon.

MAYOR LEE should issue a "clean-up" procla-  
mation at once and urge every property owner  
and every citizen generally to make a con-  
certed effort to rid their  
premises of all rubbish  
that has accumulated dur-  
ing the winter. This an-  
nual clean-up plan cannot  
be too highly indorsed. Loyal citizens in  
other cities have responded promptly and  
nobly to the call, and the spring clean-up day  
has become one of the standard events and  
red-letter days of the year.

It does not require much exertion if each  
citizen will do his part, and the remarkable re-  
sults attained will show that it is well worth  
while to set aside one day in the 365 by which  
a general onslaught is made on the dirt and  
debris which encumber one's back yard, out-  
houses and private dump.

There are right now one thousand cart-  
loads of disease-breeding trash, rubbish and  
decaying matter in the back yards of Mays-  
ville homes.

Why not remove it, give everything a thor-  
ough cleaning up, white-wash or paint, sow  
grass and plant flowers?

Is not the field, with lively culture green, a sight more  
beautiful than the dead morass?

NOT ALWAYS DESIRABLE.

perience that we couldn't teach him anything."

## THE TRIAL CASE

The trial case findings cannot be  
relied upon unless the muscles of ac-  
commodation are set at rest by the use  
of drugs. Even with the use of drugs  
very few if any skilled refractionists  
try to dispense with other tests. No  
one instrument or test can be used to  
the exclusion of all others if the ex-  
aminer has any regard for the accu-  
racy of his optical prescriptions. With  
a complete set of instruments includ-  
ing the trial case the use of drugs is  
not necessary in examining eyes for  
glasses.

From the fact that if you want good bread and cake you must use good flour. ADULT BIBLE CLASS

Organization Necessary to Make Its Work Effective and Successful

The time is past when the Sunday-school is regarded as a school only for children. The modern idea of the Sabbath-school is that it is intended for all classes—for adults as well as children. The Organized Adult Bible Class is now a very conspicuous and important part of every up-to-date and progressive Sabbath-school.

The Organized Bible Class differs in many ways from the ordinary Bible Class with which we are familiar. One of the most important differences is that in the ordinary Adult Class the work is largely, if not exclusively, upon one person, the teacher, but in the Organized Adult Class the work of building up and administering the class is so distributed that every member of the class has a definite part of the work to do. Instead, therefore, of having one worker interested in the class, you have as many workers as you have members of the class.

The plan of organization requires the election of five officers, a Teacher, a President, Vice President, Secretary and a Treasurer, and the appointment of three committees, a Membership, a Social and a Devotional Committee.

Mason county has about fifteen organized classes. There should be at least one organized class in each of our forty-three schools.

Let us work for this before the next County Convention. REV. MAURICE WALLER, Superintendent of Adult Department for Mason county.

SIGNALS OF DISTRESS

MAYSVILLE PEOPLE SHOULD KNOW HOW TO READ AND NIED THEM

Sick kidneys give many signals of distress. The secretions are dark, contain a sediment. Passages are frequent, scanty, painful. Backache is constant day and night. Headaches and dizzy spells are frequent. The weakened kidneys need quick help. Don't delay! Use a special kidney remedy. Doan's Kidney Pills are for sick kidneys, backache and urinary disorders.

Mrs. E. T. Gorman, South Main street, Bloomington, Ky., says:

"I do not think it possible to say too much in praise of Doan's Kidney Pills, as I have used them in my family for several years and they have always proven most satisfactory. I suffered severely from a constant backache and there were pains through my loins. The kidney secretions were unnatural and caused me much annoyance. Doan's Kidney Pills cured me and the cure has been permanent."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### AN EXTRA SESSION

Of Congress Comes Every Seven Years, According to Average of Statistics

When Congress meets again on April 4th, the 138th session of that body will be under way. And it will be the 16th extraordinary session in the history of the United States. The 16th special session follows only two years after its immediate predecessor. Only once before was there so slight a lapse of time between extra sessions, that being in 1879, following the special session of 1877. The first was held in 1797. The greatest hiatus was between the fifth and sixth special sessions, the one of 1837 being the first in twenty-three years. Striking averages, an extra session comes once in seven years. Eleven other Presidents have called special sessions of Congress, only Jefferson, Madison and Hayes, however, before Taft, having found it necessary to call two during their terms of office. John Adams, Van Buren, William H. Harrison, Pierce, Lincoln, Cleveland, McKinley and Roosevelt each called one.
